Show your support for the Diamond Creek Stadium

Our background

The Hurstbridge & Districts **Community Bank**® Branch opened in 2001 followed by its sister branch in Diamond Creek in 2004. Valley Community Financial Services Ltd (VCFS) is the shareholder- owned company that administers both branches.

To date the company has contributed \$1.8 million back into the local community by supporting

- Schools, sporting clubs, social clubs, events
- Philanthropic causes
- Bushfire relief

The next step was to look for a major project that would support the whole community. The Diamond Creek Stadium was the project selected.

The key stakeholders

Council user groups and your **Community Bank**® branches at Diamond Creek and Hurstbridge intend to enter into a major sponsorship and support commitment for the building project. VCFS has already contributed \$250,000 to the Australian Sports Foundation to confirm our support.

Your support

If you wish to support the Diamond Creek Stadium all you need to do is

- Transfer your banking business to either the Diamond Creek **Community Bank**® Branch or the Hurstbridge & Districts **Community Bank**® Branch
- Indicate to the branch that you would like profits generated from your banking to be used for the development of the Diamond Creek Stadium
- Encourage family and friends to support the project

Do your banking with the Bendigo Bank

By doing something as simple as your day to day banking you can generate money for the Diamond Creek Stadium – at no cost to you.

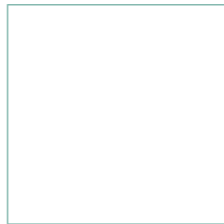

The more banking that is transferred to our branches the greater the profit generated.

In order to contribute the necessary \$1 million needed to begin the project we need to establish the financial return we can expect from supporters.

Variations of this model have been used successfully in Strathfieldsaye (near Bendigo), Sunbury and the Bendigo Basketball Stadium. We believe it can work just as well in Diamond Creek.

All information provided remains confidential. The completed form will be given to one of our bank managers who will call you to discuss your requirements.

This information will help us identify if there will be sufficient support in the community to proceed with the project.

Banking

1. Please indicate the type of bank accounts you currently operate. (Please tick.)

- Savings Account(s)
