AUSTRALIA POST

Finally, a fundraiser that won't stretch your parents' budgets but will ensure high, quick returns for your school!

For every $4 Father's Day Giving Card that is purchased, $2 will be kept for your school. There are three great card designs that students and parents can choose from, catering to different ages and preferences. Cards are delivered to the school flat with a colourful, eye-catching image for the front page, blank middle pages to allow for children to complete their own message, and your school's name and address printed boldly on the back of the card.

Cards can be posted at any post office or postbox – arriving in letterboxes in time for Father's Day. The low fee of $4 per card covers the cost of the card, the postage, delivery, and a $2 donation to your school.

An additional $1000 to be won by the school who orders the most amount of cards per student ratio!

THREE PRIZE CATEGORIES:

$1000 prize = 100 or less students   **$1000 prize** = 100-300 students   **$1000 prize** = 300+ students
