MyCricket

“ Grassroots cricket has been the foundation stone underpinning Australian cricket for well over 100 years. But it wasn’t until very recently that the vast army of volunteers and cricketer across Australia’s urban and regional and rural playing fields could be linked with one seamless system. **Cricket Australia** and **InteractSport** have been **Weet-Bix MyCricket** partners since 2008. **Weet-Bix MyCricket** has become an essential management tool for community clubs and associations, providing participants with a new level of engagement in cricket in that short time ”
